Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application. Please cancel claim 8 without prejudice or disclaimer so that the current status of all claims is as follows:

Listing of Claims:

1. (Previously presented) A method for a customer leasing a configured camera system including a camera and services for using such configured camera system and paying for the lease of such configured camera system, comprising the steps of:

(a) providing an electronic database of information describing a plurality of differently configured camera systems which have different features and services that can be selected by the customer via a digital communications network;

(b) displaying at the customer's location remote from the electronic database various components of the camera system that can be combined into the configured camera system;

(c) the customer selecting desired components and services to provide the configured camera system and completing a lease agreement and providing a payment identifier specifying an account to be debited to pay for the configured camera system; and

(d) sending the camera to a designee of the customer and establishing a service user account that specify the selected services that the designee can use with respect to the images captured by said camera.

2. (Original) A method for a customer configuring a camera and paying for the lease of such configured camera, comprising the steps of:

(a) providing an electronic database of information describing a plurality of differently configured cameras which have different features that can be selected by a customer via a digital communications network and programs which depict the functionality of such features;

(b) displaying at the customer's location remote from the electronic database various configuration features of cameras that are available and selecting programs which depict the functionality of desired features;
